If you receive personal financial advice this will be documented in a Statement of Advice (SoA), or in specific circumstances a Record of Advice (RoA), that confirms the discussions you have had with us, the recommendations we are making and the basis for those recommendations. These documents will also explain how those recommendations will work towards achieving your goals, any relevant fees received by us, and any associations with financial product providers.

When a financial product is recommended to you, you will be provided with a Product Disclosure Statement (PDS) or other disclosure document issued by the product provider. ## **WHAT PRODUCTS ARE AVAILABLE?**

A range of financial products offered by many leading financial product providers are available to our advisers when they provide personal advice. Details of the available products our advisers are authorised to provide advice about are contained in the Approved Product List (APL).

Internal and external experts provide financial product research, which is used to carefully select and maintain an extensive list of Approved Products for us to select from.

When providing personal advice to you, our advisers may only recommend a product to you if they consider it is appropriate after considering your objectives, financial situation and needs. Your adviser is not required to tell you about products that are not on the APL.

## **HOW DO WE ENSURE THAT THE PERSONAL ADVICE WE GIVE YOU SUITS YOUR NEEDS AND OBJECTIVES?**

To ensure your adviser provides personal advice that is appropriate, we firstly need to understand your objectives, financial situation and needs. Your adviser (referred to as 'we' below) will follow a step-by-step process as outlined below:

- 1.) We will meet with you for an initial consultation. During this meeting we will discuss your expectations and provide you with details of the services we can offer.
- 2.) We will collect all the information we need from you, including your objectives, financial situation and needs. If you do not wish to provide the information we require, we will advise you of the possible consequences of not disclosing all of this information and the impact on the recommendations given. This may include not being able to provide advice on the subject matter you request.
- 3.) We will help you identify your goals and may discuss your attitude towards investment risk.
- 4.) We may consider strategies and areas such as income, social security, insurance, cash and estate planning requirements. Where we recommend a financial product we will also conduct a reasonable investigation of the financial products that may be suitable to implement the strategies as part of the recommendations. Based on these and other considerations, we will prepare and present you with a written SoA, or in some cases depending on the circumstances, an RoA. We will explain in the SoA (or RoA) the basis for the advice, and any remuneration, benefits or associations which could have influenced the advice.

Where we recommend financial products, we will provide you with a PDS or other disclosure document containing information about each

product recommended, to help you make an informed decision about whether to invest in or acquire that product.

- 5.) We will discuss our recommendations with you, make any changes you require and ask you whether you would like us to implement those recommendations on your behalf.
- 6.) If you agree, we will then implement those recommendations.
- 7.) We will meet with you periodically to review your financial circumstances if we agree to an ongoing advice service arrangement which includes a regular review component. If an ongoing advice service arrangement is entered into, this will be documented in your Ongoing Advice Service Arrangement Letter and/or SoA. Where you have entered into an ongoing fee arrangement after 1 July 2013, we will renew your arrangement with you at a minimum of every two years.

We will also explain to you any significant risks of the financial products and strategies which we recommend to you. If you are unclear of the risks, do not hesitate to question us further.

In certain circumstances, we may not provide you with personal advice via a SoA or RoA, as outlined above. These circumstances may include:

- 1.) Where we provide you with only general advice, such as through seminars and newsletters;
- 2.) When we are acting under a Managed Discretionary Account (MDA) Service which allows us to manage investments on your behalf, once you have accepted this service in a SoA.
- 3.) Further advice or verbal advice – if you previously received advice recorded in a SoA, any further personal advice provided by us may be recorded in a RoA. We will not necessarily provide you with a copy of the RoA unless you request it (see below).

## **WHAT DOCUMENTS DO YOU GET IF WE PROVIDE FURTHER ADVICE?**

Where a further review is conducted and personal advice is provided, in some circumstances we are not required to provide you with a SoA for this further advice. Where this is the case, if you have not already been provided with a RoA, you may request a copy of the RoA from us by contacting us (on any of the contact details set out in Part 2 of this Guide) for a period of seven years from when the further advice was first provided to you.

## **HOW CAN YOU INSTRUCT US?**

You may specify how you would like to give us instructions, for example, by phone, fax or email using any of the contact details set out in Part 2 of this Guide. Alternatively, you may provide instructions to us in person. Where instructions are

provided by telephone, these must be confirmed in writing.

## **OTHER SERVICES**

We may provide services other than financial planning services. For example, we may also act as your accountant or legal adviser, or advise you on real estate investments. While we may provide these other services, you should understand that these other services are not provided on behalf of Chesterfields AFSL and Chesterfields does not train, support or supervise the provision of these other services and has no responsibility in relation to these services.

Examples of the services which Chesterfields is not responsible for include:

- general insurance services (e.g. car insurance);
- real estate and direct property advice;
- taxation services, such as completion of tax returns;
- accounting and audit services;
- legal services;

## **HOW ARE WE PAID FOR OUR SERVICES?**

We and Chesterfields may receive:

- fees paid by clients;
- commissions paid by product providers;
- other payments by product providers; and
- other benefits.

Fees and commissions are payable (as directed by your Authorised Representative) to any of Chesterfields], your Authorised Representative, Corporate Authorised Representative or to any other approved party. Chesterfields may pay up to 100% of any fees and commissions to us.

Details of any fees, commissions or other benefits that we, Chesterfields or other associated persons are entitled to receive if you implement our recommendations in relation to a specific financial product, will be disclosed to you in your SoA or RoA when personal advice is given.

## **WHAT TYPE OF FEES, COMMISSIONS, PAYMENTS AND OTHER BENEFITS DO WE RECEIVE FOR OUR SERVICES?**

If the fees, commissions or other benefits are not calculable at the time we provide personal advice, we will describe the manner in which they are calculated at the time the advice is given or as soon as practicable after. If you receive general advice you may request particulars of the fees,

commissions and other benefits that we may receive, within a reasonable time after this FSG is given to you.

The types of fees, commissions and other benefits that may be received by us and by Chesterfields include the following:

### **Service fees**

We will discuss and agree our fee structure with you before we provide you with services. The types of fees you can be charged are listed below. You may be charged a combination, or part of, any of these fees.

### **Fees for advice**

We may charge fees for the preparation, presentation and implementation of our advice. These fees will be based on your individual circumstances, the complexity involved in your situation and the time it takes to prepare personal financial advice for you. We will discuss these fees with you and gain your agreement to the fees before we provide you with advice.

### **Ongoing advice fees**

We may charge a fee to provide ongoing portfolio reviews and/or for the provision of ongoing services.

This fee will be agreed with you and is either a set amount, or an amount based on the amount of funds under our advice, and/or the time involved in reviewing your portfolio and circumstances.

### **Referral fees**

If we refer you to another business to provide you with services, we may receive referral fees. Those fees may vary according to the party to whom we are referring, and the products involved.

We will provide written notification to you if we are likely to receive referral fees for referring you to another service provider.

### **Payment methods**

Our fees are either invoiced to you directly, or deducted from your investments, or a combination of these methods.

Where it is debited from your investments it is normally referred to as the Adviser Service Fee.

In most instances you will be able to select the method of payment that suits you best. We will discuss and agree the method of payment with you before we provide you with services.

## Commissions

If you take out a financial product through us, Chesterfields may receive payments in the form of initial commissions and/or ongoing commissions from the financial product providers. These commissions are included in the fees, premiums and interest rate (in the case of margin loans) you pay for the product. They are not an additional cost to you. We may agree to rebate some or all of these.

The commission payable for different classes of financial products include the following:

### Investment products

For investment products, including superannuation and annuities, commissions are generally deducted from the funds you invest. Commissions on investment products may only be payable in certain circumstances where an arrangement exists as at 1 July 2013. Where you have acquired an investment product before 1 July 2014, commissions may be payable where Chesterfields has an existing arrangement with the product issuer prior to 1 July 2013.

Chesterfields may receive between 0% and 100% of your initial investment as initial commissions from product providers whose products are recommended to you. Chesterfields may also receive ongoing commissions from the management fees of the product providers.

Ongoing commissions range between 0% and 5% p.a. of your investment balance. Chesterfields may pass up to 100% of these commissions to us.

#### Example

We recommended you invest \$10,000 in an investment product before 1 July 2014. The applicable initial commission is 1% and ongoing commissions are 1% p.a. Chesterfields may receive initial commission of \$100 and may pass up to \$100 of that to us. Assuming the investment amount stays the same, each year Chesterfields will receive ongoing commission of \$100 and may pass up to \$100 to us.

### Life Insurance Products

Initial and ongoing commissions from insurance providers may be received by Chesterfields Wealth Pty Ltd. These commissions are paid to Chesterfields Wealth Pty Ltd by the company that issues the product that we recommend to you and they are included in what you pay for the product. The commissions vary and are based on the policy cost, which is the sum of the premiums you pay and may include other fees related to the product.

The initial commission is paid in the first year by the product issuer to Chesterfields Wealth Pty Ltd. Ongoing commissions are payments paid by product issuers to Chesterfields Wealth Pty Ltd in the years after the first year. These commissions may be passed onto the adviser or nothing at all depending what is applicable to the circumstances. If you initiate an increase to your cover, Chesterfields Wealth Pty Ltd may receive an initial commission and ongoing commissions on the annual increase to your policy cost. The ongoing commission on a client initiated increase is only paid in respect of the period that starts from the first anniversary of the increase.

If the initial commission is equal to the ongoing commissions (as a percentage of your policy cost), Chesterfields Wealth Pty Ltd may receive up to 140% (excl. GST) of your annual policy cost. If the initial commission is higher than the ongoing commissions, the maximum commission that Chesterfields Wealth Pty Ltd may receive is set out in the table below:

Date a new product is issued	Initial commission (% of annual policy cost or increase excl. GST)	Ongoing commission pa (% of annual policy cost or increase excl. GST)
Before 1 January 2018 or before 1 April 2018 when the application was received prior to 1 January 2018	0 - 140%	0 - 38.5%
1 January 2018 - 31 December 2018*	0 - 80%	0 - 20%
1 January 2019 - 31 December 2019*	0 - 70%	0 - 20%
From 1 January 2020*	0 - 60%	0 - 20%

\* Chesterfields Wealth Pty Ltd may receive the pre 1 January 2018 commission rates above from the product issuer if:

- > your policy was issued before 1 January 2018 and you exercise an option or apply for additional cover under your policy after 1 January 2018; or
- > your policy was issued before 1 January 2018 and is replaced after 1 January 2018 to correct an administrative error.

#### Example

We recommend an insurance product to you and it is applied for and issued on 2 February 2018. The annual policy cost is \$450. Chesterfields may receive up to \$360 (80% excl. GST) as an initial commission and may pass up to \$360 to us. Assuming the policy cost stays the same each year, Chesterfields may receive up to \$90 pa (20% excl.

GST) as an ongoing commission and may pass up to \$90 pa to us.

From 2 April 2018, you decide to increase your insurance cover. The cost of this increased cover is \$100. The initial commission payable to Chesterfields in respect of this increase will be \$80 (80% excl. GST) as the increase has occurred in 2018. The ongoing commission payable to Chesterfields in respect of this increased policy cost will be \$20 pa (20% excl. GST), payable in respect of the period starting from the first anniversary of the date on which you increased your insurance cover (i.e. 2 April 2019). These commissions may be passed onto us.

From 2 April 2020, you decide to increase your insurance cover again. The cost of this increased cover is \$100. The initial commission payable to Chesterfields in respect of this increase will be \$60 (60% excl. GST). The ongoing commission payable to Chesterfields in respect of this increase will be \$20 pa (20% excl. GST), payable in respect of the period starting from the first anniversary of the date on which you increased your insurance cover (ie 2 April 2021). These commissions may be passed onto us.

You'll find details of how your insurance policy cost is calculated in the relevant PDS that we provide you. Where personal advice is provided to you, you'll also find details of the commission that Chesterfields and we are entitled to receive if you decide to purchase a life insurance product, in your SoA or RoA.

In addition, Chesterfields may receive benefits as part of the Partner Programs in the form of education, training and other support and resources to assist in the delivery of life insurance and investment product advice. Participants in the Partner Programs may pay a fee to Chesterfields. Participants may be given the opportunity to provide training about their products. The total amount of fees, or the fees that may be paid by each product provider, will depend upon the commercial arrangements that may be negotiated from time to time between Chesterfields and each product provider. These payments will not change the amount of the product cost payable by you.

### **Margin lending Products**

If we organise, or increase a margin loan for you, Chesterfields may receive payments in the form of ongoing commissions from the margin loan provider. Commissions on margin lending products may only be payable in certain circumstances where an arrangement exists as at 1 July 2013. Where you have entered into a margin lending product arrangement prior to 1 July 2014, commissions may be payable where Chesterfields had an existing arrangement with the margin loan provider prior to 1 July 2013. These commissions

range between 0% and 0.5% p.a. of your loan balance. Chesterfields may pass up to 100% of these commissions to us.

### Example

We recommend you borrow \$10,000 through a margin loan. The applicable ongoing commission is 0.5% p.a. Assuming the loan balance stays the same, each year Chesterfields will receive ongoing commission of \$50 and may pass up to \$50 to us.

## **DOES CHESTERFIELDS CHARGE ANY FEES?**

Chesterfields will not charge you any additional fees. However, it may retain up to 100% of all fees and commissions generated by its Authorised Representatives.

## **OTHER BENEFITS**

From time to time we may accept alternative forms of remuneration from product providers or other parties, such as hospitality or support connected with our professional development (e.g. training or sponsorship to attend conferences). We maintain a register detailing any benefit we receive which is valued at between \$100 and \$300 and other benefits that relate to information technology software or support provided by a product issuer or that relate to educational and training purposes.

A copy of the register is available on request for a small charge.

## **WHAT ARRANGEMENTS MAY INFLUENCE OUR ADVICE TO YOU?**

Chesterfields Approved Product List includes some [Insert Other Related Entity] and [Insert Other Related Entity] financial products as well as a range of financial products from product providers not associated with the [Licensee Short Name]. [Licensee Short Name] does not require its Authorised Representatives to recommend only [Insert Product Provider] products.

We are generally only permitted to recommend Wrap services provided by platform providers on the Approved Product List, however we can recommend other Wrap services to you where it suits your objectives, financial situation and needs.

Any other relationships or associations we have that may influence our advice to you will be disclosed in Part 2 of this FSG.

## **WHAT FEES DO WE PAY TO SOMEONE WHO REFERS YOU TO US?**

If you are referred to us we may pay the referrer a fee. We may also provide the referrer with gifts such as branded promotional items, hampers or gift vouchers.

The fee varies according to the referrer and financial products involved.

The fee may be a percentage of our fees, a percentage of the total amount invested paid through the referral, or a flat fee. We may pay these fees upfront when the financial service is provided, or the financial product is provided, or periodically as ongoing fees.
